Thanks, Christy – that’s great.
Andrew and I will be meeting there ourselves, earlier.

With reference to your query re the possibility of assistance with funding from NPWS, following our site visits next week, and subject to any clarifications we may require/refinements to the plans, I will get you to forward to me, a fully costed proposal, including AA Screening, and I will submit it to Regional Management for consideration, on the basis of a joint agency co-operation to protect the European Site.

Regards,

Roy
